

KITSAP COUNTY SEWER DISTRICT No. 7

RESOLUTION No. \_\_\_\_\_

WHEREAS, costs of design and installation of the "interim" system put into service in June 1987 were substantially higher than anticipated due additional septic tanks required and additional restoration work;

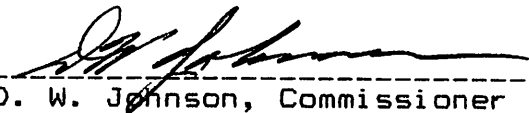

THEREFORE, it is necessary to allocate additional funds for this capital improvement.

BE IT NOW RESOLVED, that additional funds in the sum of Two thousand dollars ( \$2,000.00) shall be transferred from the Districts' general " maintenance" to the capital fund for this purpose.

RESOLVED:

-----  
W. I. Reese, Chairman

-----  
D. W. Johnson, Commissioner

-----
