

KITSAP COUNTY SEWER DISTRICT No. 7

Resolution No. 87-

WHERE AS the District has certain obligations for the construction and engineering of its " interim" sewer system, and for proceeding with work on its more permanent secondary wastewater treatment system; and, WHEREAS, the District has collected funds in recent years for the purpose of defraying these costs: and WHEREAS, the District has deposited these funds in a "maintenance" account and/or invested these funds until such time as their expenditure was required;

THEREFORE, it is now appropriate for the District to transfer these funds from the "maintenance" holding account to the Capital account of the District for the improvement of capital facilities, and THEREFORE, the Board of Commissioners of this District hereby order to transfer of the sum of twenty thousand dollars ( \$20,000.00) from the "maintenance" to " Capital" fund.
