

KITSAP COUNTY SEWER DISTRICT No. 7

RESOLUTION No. 89-4

WHEREAS, the District maintenance costs have risen with the installation of the 'interim' system, and,

WHEREAS, it is anticipated that during the period of design and installation of the waste water treatment facilities starting in 1990 will require the conduct of increased business activity, and,

WHEREAS, it will necessary to start inspections and pumping of existing septic tanks in 1990;

THEREFORE, it is necessary to provide increased maintenance funds without increasing current service rates and assessments beyond the the current \$35.00 per month total. (\$10.00 per month service charge and \$25.00 per month 'special assessment),

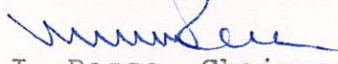

THEREFORE, BE IT NOW RESOLVED, that current cahrges shall be reallocated, as follows;

Service charge shall be \$15.00 per month and applied to the District Maintenance account, and

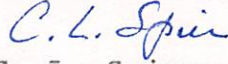

"Special Assessments", shall be \$20.00 per month and applied to capital improvements.

Total monthly charges shall remain at \$35.00 per residential equivalent.

SO RESOLVED, this 19 day of DECEMBER, 1989.

W.I. Resse, Chairman

D. W. Johnson, Commissioner

C. L. Spier, Secretary
