Resolution No. 90-3

WHEREAS, this DISTRICT has formally adopted a Comprehensive Plan, and now needs to implement said Plan;

AND, ~~WHEREAS~~, in order to implement said Plan, it shall be necessary to retain engineers to design, supervise construction and start-up of the Plan system;

AND, WHEREAS, judging by the criteria set forth in a document entitled " CRITERIA FOR SELECTION OF AN ENGINEER FOR DESIGN AND CONSTRUCTION", it is the conclusion of this Board that the following engineers are those best qualified from the list of applicants;

THEREFORE, BE IT NOW RESOLVED that the firm of Yuhl and Associates, Bellevue, WA. is elected to design, supervise construction, etc. for a system of collection sewers, interceptors and pump station as set forth in the Comprehensive Plan, and to supervise and administer the design, construction and start-up of all facilities; and that the firm of H. R. Estvelt Engineering is hereby selected to design, supervise construction and start-up of the wastewater treatment plant and outfall.

Unanimously RESOLVED, this 13<sup>th</sup> day of Sept. 1990.

  
W. I. Reese, Chairman
