C.L. Spier, Sec.

RESOLUTION 91-2

WHEREAS, engineering and persoanl service contracts with H. R. Estvlet Engineering, and Yuhl and Associates, have been approved by the Washington State Department of Ecology;

And, WHEREAS, said contracts have been reviewed by the Board of Commissioners and have been found to be within the bounds of their best judgement to provide services for the design, supervision, adminstration and composition of maintenace manuals for the sewer system outlined in their Comprehensive Plan dated July5, 1990;

THEREFORE, BE IT NOW RESOLVED that the Board of Commisioners approves said contracts, which are now made a part of this Resolution, and thereby authorizes the above named contractors to procedd with the design, supervision, administration and composition of maintenance manusl and procedures as described in these contracts.

RESOLVED, this 12th day of March, 1991, at Bainbridge Island, WA.

William I. Reese, Chairman

Donovan W. Johnson, Commissioner

C. L. Spier, Secretary
