

KITSAP COUNTY SEWER DISTRICT NO 7

RESOLUTION 95-5

WHEREAS, it is necessary for the District to have constructed various collection lines to serve existing customers and some new customers who have already paid connection fees at the following locations:

South Beach Drive NE, from the intersection with Fort Ward Hill Road to the east border of the District

The section of Sound View Drive south of the intersection with Belfair.

Evergreen Ave. west of Paul Ave.

Park View Drive, east of the interceptor.

and,

WHEREAS, no funds are available through existing State grants and loans, or LID #1 for this purpose, and

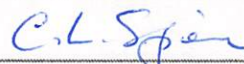

WHEREAS, financing must be obtained for the engineering and construction of said collection lines;

THEREFORE, the District proposes the formation of LID #2 for the purpose of financing this proposed construction and Michael H. Yuhl, acting as District Manager is authorized to proceed with the necessary engineering and legal steps required to implement the formation of this Limited Improvement District.

RESOLVED, this 8th day of December, 1995.

W. I. Reese, President

Sarah Lee Bourlier, Commissioner

C. L. Spier, Secretary
