

KITSAP COUNTY SEWER DISTRICT NO. 7  
RESOLUTION #2002-7

A resolution amending Resolution #96-2 to eliminate the \$20 per month charge to properties holding a sewer reservation.

WHEREAS Kitsap County Sewer District No. 7 (hereinafter referred to as "the District") built a sewage treatment plant and related facilities in 1996 with a grant and loan from the State Department of Ecology; and

WHEREAS the District had only 68 customers at that time; and

WHEREAS it was not feasible to build a treatment plant and sewers for such a small customer base; and

WHEREAS a Comprehensive Plan to serve 408 connections was approved by the Department of Ecology; and

WHEREAS Kitsap County Sewer District No. 7 passed Resolution #96-2 on March 15, 1996, establishing a \$20 per month charge for those properties with assigned sewer connections; and

WHEREAS the District now has 213 customers connected to sewers, and is anticipating the connection of up to 60 additional connections by the end of 2003; and

NOW THEREFORE BE IT RESOLVED that the Commissioners of Kitsap County Sewer District No. 7 will, beginning January 1, 2003, eliminate the \$20 per month fee charged to properties with assigned sewer connections. Each property will retain its existing sewer reservation number, and the current sewer service fees will apply when the property is connected to the sewer.

RESOLVED this 11th day of December, 2002.
